Little Soul

Ah ah ah ah ah ah
Ah ah ah ah ah ah

Who would have, who would have thought that
Thought that that tiny feet and hands
Would be, would be all I need to
Get me through the days on end
I always wondered what life was about
Becoming a mum, oh I have figured it out

Chorus
Little soul, I wonder if you know
Little soul, I love watching you grow
Little soul, I want you to know
Little soul, I love you so

Ah ah ah ah ah ah
Ah ah ah ah ah ah

I love, I love watching you, watching you sleep in my arms
So safe, so safe, secure and snug, wrapped up in my warmth
Your laugh, your smile, are all I need
To fill my heart with love so deep indeed

Chorus
Little soul, I wonder if you know
Little soul, I love watching you grow
Little soul, I want you to know
Little soul, I love you so

Ah ah ah ah ah ah
Ah ah ah ah ah ah

Life has a purpose, it holds true meaning
Creating life and caring for this being
Is more powerful, rewarding than anything else
A love I never imagined as my former self

Chorus
Little soul, I wonder if you know
Little soul, I love watching you grow
Little soul, I want you to know
Little soul, I love you so
